- JOIN US FOR THE FINAL PUSH - \$20 Per Officer to Build in 2005!

The goal is in sight and your help is needed!

The Washington State Law Enforcement Memorial Foundation will begin construction of the State law enforcement memorial the summer of 2005 if fundraising is completed by May 5, 2005.

The Memorial is a \$1.6 million dollar project. **The Goal: Raise \$300,000 by May 5, 2005.**

Please join us, along with law enforcement associations around the State, in the final fundraising push! **If every Washington State law enforcement officer donates \$20.00, we will be half-way towards the goal!**

The law enforcement memorial is our memorial. It is time to honor the Washington State law enforcement officers who paid the ultimate sacrifice by giving their lives in the line of duty.

It's easy —just \$20 per officer to build in 2005!

Make your tax deductible donation today!

All donations gratefully accepted.
